SPECIALIZED PROGRAM - GUN DISARMING-ICP

This "Specialized Program on Gun Disarming Tactics program is a series of 8 programs designed to educate, train and prepare you in Empty Hand Survival Tactics that are field tested and proven for winning real world attacks. This course is designed to enhance not only the physical response but in the mental commitment, emotional trauma and the legalities that follow these violent and dangerous attacks. The Firearm; in America is recognized as the American Martial Art, and the possibility exists that if you are in any type of physical assault or attack on your life the attacker could have a gun. Being unable to identify, disarm and control not only the attacker but the weapon itself is vital to not only winning but your saving life! This program was developed and is conducted by US Fighting Systems. Student will be issued a certificate of completion for **Empty Hand Tactics – Firearm Disarming**.

Topics covered in this program are:

- Understanding basic firearm facts
- Survival Surrender Position
- "C" Clamp Methods
- Basic firearm attack positions
- Action and Reaction Exercises
- Knowing what to do when your shot
