DEADLY FORCE STRATEGIES & OPTIONS-ICP

This Basic Deadly Force Options Survival program is a series real-world based programs designed to educate, train and prepare you in Empty Hand Tactics that are field tested and proven for surviving real world attacks. This course is designed to enhance your personal development in not only the physical response but in the mental commitment, emotional trauma and the legalities that follow these violent and dangerous attacks. **Having to escalate to deadly force is one of the toughest both physically and mentally**, we will address the legalities of having to save to your life and the tactics need to win an attack; if you cannot get away from the attacker(s) or unable to defend yourself and you are fighting for your life, you need to have a trained, practiced and rehearsed response to save your life!. This program was developed and is conducted by US Fighting Systems. Student will be issued a certificate of completion for **Deadly Force Strategies and Options**.

Topics covered in this program are:

- Understanding your force Options
- Testifying strategies
- Neck Compression Tactics
- Front Neck Support Technique
- Slip Knot
- Body Compression Tactics
- Clothing and environmental issues
- Intervention options
- Winning emotionally
- Liability and legal issues

Duration: **Basic 4 Hours**
 Basic Instructor 12 Hours

Tuition: **\$TBA**

Equipment Required: Clothing and footwear for dynamic activity and self-defense instruction, notebook and pen, 50 3x5 index cards with whistle and lanyard.
