

“Teachers & Educators Safety Program”

Preparing and Surviving the Active Shooter Workbook

Powered By:

ARMA TRAINING

This “Real-World” Educators and Teachers Safety Program was developed by Dave Young, Founder and Director of Arma Training, US Fighting Systems, Family Defense and is Co-Director of Vistelar. Dave has over 30 plus years of training and experience as a security agent, corrections officer, law enforcement officer and veteran of the United States Marine Corps. Dave trains thousands of law enforcement, corrections and military operators as instructors yearly.
